University of Bath

AXR271, DD303, DXR222, TXR120, TXR220

The University of Bath has a fairly compact campus and all its facilities are accessible by ramp and lift. The main part of the Bath campus is pedestrianised, and the central area, known as ‘The Parade’, is a level area just for pedestrians. Many of the teaching rooms, the library, shops, banks, bars and some of the catering areas are situated here. You can travel around The Parade easily by wheelchair or electric scooter, but there are some slopes outside this area so it may be more difficult to get around if you have restricted mobility.

While it is possible to bring your car onto the campus, it isn’t possible to drive between your accommodation and tutorial rooms because of the pedestrianised areas on the campus. The minimum overall distance that you will have to walk each day between your accommodation, the dining area and tutorials is 1.5 kilometres. If you have restricted mobility, please discuss your requirements with the Disability Resources Team. (You may be able to borrow a mobility scooter while you are at the school if you tell us beforehand that you need one.)

**Teaching accommodation**

Teaching accommodation is accessible by a lift that is suitable for wheelchair users. If you use a wheelchair or electric scooter, you may wish to consider having an assistant with you.

**Residential accommodation**

Students will be accommodated in the Westwood Accommodation blocks. All accommodation is non en-suite. Ground-floor accommodation is available as are adapted bedrooms. If you have an assistant with you, they can stay in a nearby room. Kitchens, which are shared with other students, are accessible to wheelchair users.
Catering
All meals are self-service, and there’s always a vegetarian choice. Please contact the Disability Resources Team to discuss any special dietary requirements at least six weeks before the start of your stay. The University is not able to provide halal or kosher catering.

Key points to keep in mind
- Facilities are accessible by a ramp or lift.
- The shortest distance you will need to walk each day between accommodation, the dining area and tutorials is 1.5 kilometres.
- Teaching accommodation is accessible by a lift that is suitable for wheelchair users.
- Ground-floor accommodation.
- Adapted bedrooms suitable for wheelchair users.
- Showers, toilets and kitchens are accessible by wheelchair users.
- Special dietary requirements can be catered for by contacting the Disability Resources Team.

Additional information
Academic information is provided by individual faculties to help you decide how suitable each school is for you and to help you to make decisions about the type of support you may need.

You can get this information by visiting our website www.open.ac.uk/residential-schools and clicking on ‘Additional support’.
