We can provide only very limited equipment for students with additional requirements at this site. If you are going to bring an assistant with you, you must discuss this with the Disability Resources Team beforehand. There are long distances to walk between the accommodation, catering and teaching facilities. These distances can add up to quite a lot of walking during a day, and students with restricted mobility should be aware of this. There is no campus transport. We will arrange transport for the off-site visits that are part of the academic programme, but there’ll be more walking at the sites themselves. All the buildings we use can be reached by car, with parking close by, including spaces for disabled visitors.

There is a tram station (CROUS-SUAPS) next to the campus providing a link to the city centre. Because of tram tracks on some of the campus routes, some routes are uneven; wheelchair users will need an assistant who must be physically fit and able to push a wheelchair up and down steep slopes. All the teaching areas, the school offices, dining areas and bedrooms are no-smoking areas.

Please note that the tram service may be suspended for maintenance work from 14 July until 31 July 2012. During this time a replacement bus service will operate. If you have restricted mobility we recommend that you enrol onto either the 30 June or 07 July schools.

**Teaching accommodation**

Teaching accommodation is in a block with level access and a lift to every floor. Teaching rooms are on five levels. The teaching block is a 10–15 minutes walk from the main accommodation and dining areas. Distance from accommodation is approximately 500m, and from restaurant approximately 350m.
**Residential accommodation**

All bedrooms are en-suite with shower, toilet and washbasin. Showers are the step up type. A few rooms with adapted en-suite ‘wet room style’ available on request. Ground floor rooms on request. No lift. Distance from tram stop approximately 150m, from restaurant approximately 150m, from teaching block approximately 500m.

**Catering**

All meals are self-service, and there’s always a vegetarian choice. Please contact the Disability Resources Team to discuss any special dietary requirements at least six weeks before the start of your stay. Caen University cannot provide halal or kosher catering.

**Key points to keep in mind**

- Long walks between the residential and teaching accommodation.
- No campus transport.
- All the buildings we use can be reached by car.
- Tram tracks on some campus routes mean that some routes are uneven.
- Level access to teaching buildings.
- Lifts (in teaching building only).
- Special dietary requirements can be catered for by contacting the Disability Resources Team.

**Additional information**

Academic information is provided by individual faculties to help you decide how suitable each school is for you and to help you to make decisions about the type of support you may need.

You can get this information by visiting our website [www.open.ac.uk/residential-schools](http://www.open.ac.uk/residential-schools) and clicking on ‘Additional support’.
