Malham Tarn Field Centre, Shrewsbury
SXE288

The Field Centre welcomes guests provided they can manage independently or are accompanied by an assistant. Malham Tarn has few special facilities for students with disabilities, but there is one adapted bedroom. If you are going to bring an assistant with you, you must discuss this with the Disability Resources Team beforehand.

Each day is very full and free time will be limited. The majority of fieldwork will be conducted close to the Field Centre and you will be in the field for three full days in all weathers. During each day, you may need to walk up to a few kilometres across a variety of terrains (often rough), so if you are unused to outdoor exercise we would advise you to undertake a few walks prior to attending the residential school.

All the teaching areas, the school offices, dining areas and bedrooms are no-smoking areas.
